SUMMARY

I am a self taught web developer able to create projects from ground up. I am well versed in all the languages mentioned below & able to design, code & deploy in an organised and efficient manner.

As a Jr. electrical engineer previously I've had an opportunity to work in a team and thus develop my soft skills such as communication, organisation, adaptability & handling short deadlines & i believe these would serve me and my employer in future.

SKILLS

Languages	• HTML, CSS, Javascript.
Tech.	• SASS, jQuery, Bootstrap, Express, Node.js, EJS, REST API etc.
Database	• MongoDB.
Applications	• Figma, Draw.io, Photoshop.
